

Dear Quentin,

This student hackathon was about discovering the next big thing. And guess what? You've taken the big prize! Congratulations on all your hard work and innovation. We look forward to seeing the changes you make in the tech industry.

Now, onto your NEXT challenge.

A stylized, handwritten signature in white ink, likely belonging to Harold Goddijn.

Harold Goddijn

CEO and co-founder of TomTom

**TOMTOM
NEXT**

A graphic element consisting of a large white circle with a black outline, a black arrow pointing down from the circle, and a black rounded rectangle containing the text "HACKER LEVEL" in red. The background is blue with black and red abstract shapes.

**HACKER
LEVEL**
